You can leave a legacy to the hospital's Charity which will make an incredible difference to the work we are able to do in the future. Leaving a gift to a charity is an amazingly generous way to offer your support beyond your own lifetime. If you would like to bequeath an amount to the hospital's Charity and have already made a Will, you can request your solicitor to draw up a codicil. For that purpose, the Charity's details are:

**Name of Charity: Rye, Winchelsea & District Memorial Hospital Ltd
Registered Charity No: 1014232**

Address:

**The Company Secretary
Rye, Winchelsea & District Memorial Hospital Ltd
